INSTITUTIONAL SCHOLARSHIP POLICY

Raipur Institute of Technology was published to provide quality technical education for student from rural background. Taking into consideration of the economic status of the students and to assist them in studying, our institution has decided to provide scholarship for the students coming from economically backward family admitted to support their education for buying books and material fee for their studies. This has been implemented every year by considering the economic status of the students and to assist them in studying.

Criteria for above mentioned policy:

- i) Merit on Higher and High School result
- ii) Financially Poor category students (ST/SC/OBC/GEN/Minority)
