7.1.1 Measures initiated by the Institution for the promotion of gender equity during the session 2023-2024

☐ Specific facilities provided for women in terms of:

- a) Safety and security
- b) Counseling
- c) Common Rooms
- d) Day care center for young children
- e) *Any other relevant information*

The theme of gender equity is followed as an inevitable part of societal values and ethics through learning menace in line with our culture and heritage. Due to this the students will be able to develop their moral through a better understanding of important issues related to gender in contemporary India since they are sensitized to the basic dimensions of the biological, sociological, psychological and legal aspects of gender. This is further enriched on celebrating some relevant programs periodically. This in turn leads to an environment of unbiased gender equity for a sustainable society to work and live together in terms of gender equality. The following specific facilities are provided in the campus.

Gender Equity by giving equal importance to women in all positions:

More than half of the students are female; there are female faculty members, and 83% of the Department Heads are female. Every year, International Women's Day is commemorated with the active participation of female faculty and students.

Facilities for safety and security of women:

1. Safety and security: Surveillance CCTV cameras have been installed in the campus to ensure the security and monitoring students' movements in and out of the college. Helmets are made mandatory to enter/leave college campus for all concerned. Fire extinguishers are available in all labs and corridors. They are taken care properly at regular interval. Girls Hostels are well protected with security, staff and wardens. Security guards are available in the college 24x7 throughout the campus and also in front of the hostel that make sure that unwanted incident will not takes place inside the campus. The college also has anti-sexual harassment committee to address issues if any.

2. Common Rooms: Separate common rooms are provided for boys and girls. Rooms are provided with necessary facilities such as first aid box, mirror, chair, table, washbasin, dustbin, etc.

3. Self Defence: The institute organizes self defence programs for the female students to build up their social security and serenity. Due to these programs they acquire the confidence to protect them from miscreants and criminals.

4. Women Empowerment: To strengthen the societal harmony, the institute always encourages women as a whole and disseminates the philosophy of women empowerment and allied awareness through real time program. Programs related to women empowerment are conducted regularly.
